Refurbishment and Renovations

Request for Donation

The above-mentioned organisation is an Orphanage Centre situated at 1186 Block GG, Soshanguve, 0152. JJOC takes care of the vulnerable, abandoned, abused, neglected, affected and infected HIV/AIDS children. Presently we are blessed with 35 children aged 4-20years. We have been running the orphanage since 2003.

For over 23 years our Centre has sheltered hundreds of orphaned children all over South Africa and even outside our borders. Our haven is falling apart and we kindly need all the help we can get to carry on doing the work to make a difference in our children's lives. We are in need of major renovations. Our home used to be a dream but throughout the years it is bound to fall apart as it is expected. It really takes a village to make this a reality. Kindly share and help us take back the glory our Centre used to have and give it its dignity once again. Our children **DESERVE A BETTER PLACE TO LIVE IN**. Let's make **JEHOVAH JIRAH ORPHANAGE CENTRE A DREAM ORPHANAGE ONCE AGAIN. TOGETHER WE CAN**.

We have also extended our centre and added more rooms to accommodate more children cos it breaks our heart to not have space to accommodate them.

We are in need of: Painting. Windows. Bathroom tiles, taps, Fixing of cupboards, new beds, curtains, new roof ceiling, lights, doors, washing machine, gas stove, kitchen tables, chairs, couch, refrigerator, inside walls needs painting, doors, chairs, tables, duvets, pillows, blankets and sheets. . It would mean a lot to us if you would partner with us in changing the lives of our beneficiaries, and thus be highly appreciated.

Hope our request will touch the hearts of your company, to reach out to touch somebody's life and make a difference in our Centre.
